

This document is generated from a literate agda file.

```
module Test where
```

```
data Test : Set where
```

```
  a : Test
```

```
  b : Test
```

Check linking `Test`.

Hiding test:

Who is `YouCantSeeMe`

Importing

```
open import Test2
```

This document is generated from a literate agda file as well.

```
module Test2 where
```

```
data Test2 : Set where
```

```
  a2 : Test2
```

```
  b2 : Test2
```

Check linking `Test2`.

Hiding test:

Who is `YouCantSeeMe2`
